

Ordering instructions for customers without SWITCHaai

To make a purchase via Projekt Neptun, you must identify yourself first, i.e. confirm that you are authorized to place an order. All pupils older than 18 years of age, students, teachers, lecturers, university staff and partly recognised alumni organisations are eligible to order. Restrictions, if any, are indicated at the respective products or manufacturers.

Go to our website <http://www.projektneptun.ch> and choose a laptop or any other offer. If you click on "order now" you will be redirected to our validation page.

The validation is normally carried out using SWITCHaai login. All individuals who do not have a SWITCHaai login (yet), must authenticate themselves manually. This applies to pupils, prospective students (no access data yet), teachers and members of an alumni organization recognized by Projekt Neptun. Please select "SWITCH-AAI Validation" and click on "Go!" to access the manual validation.

Neptun Validation

SWITCHaai Validation

Click here for the standard validation process of Projekt Neptun.

Your SWITCHaai login will be provided by your university / UAS / after enrolment.

Pupils, students, alumni and employees of educational institutions without a SWITCHaai login also choose this option.

[Go!](#)

Choose "validate manually" to access the form.

SWITCH

Members of institutions with SWITCH AAI authentication proceed here.

Validate with SWITCH AAIShow Institutions

Others

For all other institutions (without SWITCH AAI authentication):

Validate manually

Fill in the form **truly**.

Manual Validation

First Name*

Last Name*

Email Address*
(please use your institutional email address if available)

University / Institution*

Departement / Faculty

Registration Number*

I am* Student
 Employee
 Alumni member
If alumni, name of the alumni organization:

By clicking on «Next» I confirm that:

- I am 18 years of age or older
- I am a student or employee of an accredited institution.
- I agree to present my institutional email address as proof my entitlement
- I agree that the manufacturers or partners may contact me at any time to verify my institutional affiliation.
- I will offer proof of my institutional standing if required and accept the refusal of my order by a manufacturer if I cannot offer sufficient proof of my institutional affiliation.
- the information given above is correct
- all ordered products are for my personal use or for use in my studies or in research.

Edu-Validation (SSD) and / or SWITCH may use my data for informational purposes. I can revoke this consent at any time. (More Information regarding privacy at SWITCH)

- Students / pupils / teachers enter their official school e-mail address in the form. If there is no official e-mail address, a confirmation of affiliation or employment can be sent to kontakt@projektneptun.ch as an alternative.

- Students who have not yet received access data from the university, university of applied sciences or college of teacher education send the confirmation of enrolment to kontakt@projektneptun.ch.

- Alumni without an official e-mail address of the organization send a current confirmation of membership to kontakt@projektneptun.ch.

- Under University / Institution enter the name of your school / university / alumni organization;

- Under Department / Faculty you enter the course / subject / degree;

- Please enter your student number / matriculation number / staff number / member number under matriculation / staff number; if not available, please enter your date of birth.

Select the appropriate one under "I am...": Student / staff member (lecturer) or alumni and enter the name of the alumni organization. By clicking on "Continue" you will be redirected to the respective shop website.

Sales and distribution of our offers is carried out by our partners. The prices that you see on the Projekt Neptun website are only available after the authentication described above.

If the information that you provide is not true, we reserve the right to cancel your order or charge the current list price.

In case of login problems, please contact us via e-mail at kontakt@projektneptun.ch.
